All prices posted are subject to change at any time. Boats are available during normal operation at Seaforth Mission Bay, Coronado, Downtown, and Harbor Island Boat Rental. Location hours vary seasonally.

Member will not allow boats to be operated by anyone under the influence of drugs or alcohol at any time. Member will also not allow any illegal drugs on board at any time. Red wine, hard alcohol, and glass bottles are strictly prohibited on board all boats and equipment. Member shall operate the boat in a safe and prudent manner at all times. Member is responsible for the boat while docked anywhere other than Seaforth's Mission Bay, Coronado, Downtown, or Harbor Island locations. Member shall be responsible for any and all damages to the boat while in their possession, including theft of any kind. Black-soled or marking shoes are not allowed onboard vessels.

Member understands and agrees that any damages, rescue or assistance fees, late fees, fines, and/or unpaid dues or rental fees will be charged to the debit/credit card on file provided by the member or the credit card used for the rental reservation. It is the responsibility of the member to update Seaforth with any changes to their debit/credit card number, expiration date, billing address, email address, or any necessary financial and/or contact information. Failure to do so will result in the accumulation of back dues and/or a $99 rejoin fee.
US Coast Guard, state, and local laws must be observed at all times, including but not limited to the maximum number of passengers allowed onboard. Member may not re-charter the boat nor allow anyone other than the person renting the boat to use it. Member may not use boats for any commercial purposes and may not charge any sort of fee for the use of the boat.
Towing of other vessels is strictly prohibited and subject to fine.

Membership Agreement

Seaforth Boat Rentals offers boat rentals to the public at non-member rates. Member understands that reservations are required for all rentals; boats are not reserved without payment. All reservations are subject to availability. Members receive special rates for a variety of rentals: 50% off kayaks and stand-up paddle boards, up to 25% off powerboats, and up to 50% off sailboats, depending on the vessel. Club rates are posted on the company website and at each specific location. **These rates cannot be combined with any special offers, coupons, or other promotions**. Seaforth reserves the right to increase rental rates without notice, including for major holidays.
Every charter is a bareboat charter, meaning the member is responsible for ALL provisions for themselves and their crew.
Seaforth Sailing Club reserves the right to cancel any membership at any time.

Member understands and agrees to the terms and conditions of the rental contract for the Seaforth Mission Bay, Downtown, Harbor Island, and/or Coronado Boat Rental locations, which the member has signed and received a paper or digital copy of. Member must carry the rental agreement at all times while on or in possession of the vessel; it is a legal document that can be requested by law enforcement (digital copy is acceptable). It is agreed and understood that if any term, covenant, or provision of the contract is held by a court as invalid, void, or unenforceable, the remainder of this agreement shall remain in full force and effect, and in no way be affected, impaired, or invalidated thereby. The “Hold Harmless” clause as well as the general release of liability and other releases in the basic “Boat Rental Contract” shall apply to club members, as well as all other items in the rental contract. This document is an integral part of the signed membership agreement and can be modified at any time without notice.
The member must inspect the boat and safety equipment prior to leaving the dock and request any equipment that might be necessary (such as winch handles, ocean safety kits, charts, etc.). By taking the boat, the member acknowledges that the boat is safe, seaworthy, and properly equipped. Upon return, the member should notify the dock crew and office of any issues that occurred during the rental. Seaforth Sailing Club is a division of Seaforth Boat Rentals and KDME, Inc. The laws of the state of California govern this agreement.

Ocean Sailing and Boating

Seaforth Sailing Club is not responsible for notifying members of weather and sea conditions. Any assistance needed, such as towing, provided to the member due to inclement weather (including excessive or a complete lack of wind) is the sole responsibility of the member and may be subject to additional fees.
Seaforth Sailing Club, at its sole discretion, may determine that weather conditions are unsuitable and prohibit the use of the boat. Member agrees that the boats will remain in the protected waters of Mission Bay or San Diego Bay and may not be taken into the open ocean, with the exception of boats specifically designated by Seaforth Sailing Club as ocean-going, and only if the member has the required level of experience, certification, and permission to do so. Member must be aware of Rule 9 (main channel right of way), which starts from the outside of Buoy 5 when entering the San Diego Harbor channel. When sailing in the Pacific Ocean, the member must sail at least 1 mile from the shoreline. Member must be aware of kelp areas and the proper procedures in case kelp becomes entangled on the engine or keel, as well as procedures for overheating of an engine and other safety precautions.

Hull Insurance (Optional)

All sailboats from 22’ to 54’ are covered by Hull Insurance in the event of an accident. The deductible for the vessel is $5,000 or 2% of the vessel value (whichever is higher). Members are responsible for this deductible unless they purchase the deductible waiver. By purchasing the waiver, members will be relieved of financial responsibility exceeding $250 for sailboats up to 35’, and $500 for sailboats up to 54’. The deductible waiver for sailboats up to 35’ is $150. The deductible waiver for sailboats up to 54’ is $250.

The waiver is a set rate from the date of sign-up and will remain in effect until the member requests cancellation. The hull insurance damage waiver does not cover gross negligence, such as operating under the influence, running the engine continuously at high temperatures, sailing in severe weather conditions, sail races, or damaged sails. It also does not cover lost items such as anchors, winch handles, fenders, safety kits, etc.

For assistance during business hours, members should call the appropriate location on VHF channel 07 or by phone. Charges may apply when assistance is provided.

Applying Member Dues to Reservations

Members may apply **$30** of their $40 monthly dues toward rentals.

Dues are not applicable towards merchandise or other purchases.

Dues are not transferable between members; members may only apply their own dues toward their own rental, and only on a single piece of rental equipment at a time. Dues may not be combined or split between members toward a single piece of rental equipment.

Only $30 per month may be applied, and dues must be used during the billing month. They do not accumulate or roll over.

Extended Trips

Members may rent sailboats 27’ and larger for multiple days at a time, provided the boat is sufficiently equipped and the member has the appropriate level of experience and/or certification. All overnight or multi-day rentals will incur an additional fee of 10% of the rental price before any dues or discounted rates are applied. On extended mileage trips, fuel will be an additional cost. The fuel tank must be re-filled to the same gauge level at which it was received, or a fee of minimum $8.00 per gallon will be charged for consumption. On trips extending for two or more days, the holding tank must be emptied prior to return to avoid a minimum $50 charge. Any fuel receipts must be kept for verification by the location manager.

A limit of (2) free kayaks are available to use as dinghies on extended overnight trips. This is based on advanced requests and availability and is not guaranteed.

Improper usage or clogging of the head will result in a minimum $150 repair fee—please ensure your guests are properly trained on how to use the head. Members are responsible for operating, opening, and closing the boat properly and for cleaning the boat after use. This is not a complete list of boating rules. Please ask for further information from the specific location at which you are renting.

Equipment and availability varies by location.
Discount limited to (1) vessel per day.
Discount can be applied to (2) kayaks or paddle boards at once.
All prices are subject to change without notice.
